

Welcome Washington High School 1970 Classmates

Thank you everyone for coming to the 45th anniversary of our graduation.

Today we toast to our memories: to students and friends, old and new, reliving our shared past.

Everything that happened played its part in shaping us, so we gather to remember our youth.

We also honor those who taught and encouraged us. We remember old friends, those with us now, those who couldn't make it, and those who are no longer with us.

Lift your glasses, to our younger selves, our plans and our promise.

May we always remember their part in making us who we are today.

Many thanks to our 2015 reunion committee:

Tom Blanz, Sue Brazeal, Beth Crews, Dale Hacker, Penne Howerton, Kay Kurtz Yates, Steve Massing, Keith Meyer, Wayne & Kathleen Warfel-Siegert, Bob Thomas, Shermie Wiehe & Jessica, Bob Yates and Sue Collette Meyer that helped.

Everyone played such an important part in planning and working to make sure the 45 year reunion would happen.

Special Thanks to Shermie for his website and special presentation.

Thanks to Wayne and Kathleen Seigert who provided the photo booth.

Thanks to our caterer - Bella Cuisine Catering, Al and Sheri Seeman.

Before the band starts, we would like a group photo and afterwards feel free to enjoy the photo booth.
